

M IS FOR MEDICINE **MEDICINE! THE MUSICAL**

This 'song' is actually four songs rolled into one, plus some linking scenes. Here are the words:

JANET: Oh Brad, can't you get us there any faster?

BRAD: No Janet, I really am going as fast as I can.

JANET: But Brad, I'm so very ill! I need to find a Pharmacy right away!

BRAD: Oh dammit, Janet, it's starting to rain.

JANET: Wait! Brad! There's a light!

BRAD: It looks a little like a luminous green plus-sign.

JANET: Could it be...a Pharmacy? Oh Brad, it *is* a Pharmacy! I'm saved! And you know what happens when I'm saved, Brad?

BRAD: No, Janet, we've only just gotten married.

JANET: I start...to sing!!!

BRAD: Oh, dammit.

Song 1) "Medicine! The Musical"

JANET: I'm singin' when it's rainin'!

I got a lot of reason to be complainin'!

But luckily I have come

To the place that is lots of fun...

Yes I'm in the Pharmacy!

I won't come to no harm, ya see

You shall encounter

Behind the counter

A pharmacist

Who's hard to resist.

She's so very keen to flaunt

Her medicines with a twist.

Medicine! Medicine the Musical!

Medicine! It's the show with no reviews at all!

It's the incredible

Totally seminal

Medical shooooow!!!!

PHARMACIST: May I help you ma'am?

JANET: Well do you know, you just might be able to. You see...

Song 2) "I'm Ill"

I'm ill! I'm ill!

Quick quick, I need a pill!

I have a dodgy tum

And inflammation of the gum

And in my ears I hear a hum

And I have a sore thumb

And blisters on my bum

Et cetera

PHARMACIST: You know ma'am...

Song 3) "The Pharmacist's Response"

You really shouldn't use medicines like they grew on trees.

Medicines are for treating serious disease.

Bacteria and viruses can develop immunities

To our medicines if we just use them as we please.

PHARMACIST: But here you go anyways...

JANET: Oh thank you so much!

Song 4) "Finale"

Medicine! Isn't it incredible?

Medicines are spectacularly plentiful!

So many ways

To treat every malaise,

And a spoonful of sugar

Will help them to go down!
